

TRAVELLER GUIDE FOR ENTRY INTO MALAYSIA

UPDATED 01 AUGUST 2022

From

1 AUGUST 2022

all travellers can enjoy quarantine-free travel in Malaysia.

1

No More Testing & Quarantine

Individuals travelling to Malaysia are **not required** to undergo prior COVID-19 testing and quarantine. **Traveller's Cards** are also no longer required.

2

Keep Yourself Updated

Download the app to keep track of your COVID-19 risk status and changes in restrictions.

You can download from the **App Store** or **Google Play**.

3

Adherence to SOP and House Rules

Observe **safe distancing** in crowded areas or in groups, practice proper **mask etiquette**, and **sanitize or wash your hands** frequently.

YOUR PRE-DEPARTURE CHECKLIST:

Schedule for treatment with a MHTC Member Hospital and request a Hospital Letter from the selected hospital. *Please print your Hospital Letter prior to arrival.

Apply for a visa for yourself and your companion (if applicable).

Make the **necessary travel arrangements** and contact your MHTC representative should you need assistance.

+ What if I feel unwell or test positive for COVID-19?

Individuals who test positive for COVID-19 must undergo isolation via a Home Surveillance Order (HSO) for seven (7) days. Individuals can be released from isolation on the 4th, 5th, or 6th day when they are asymptomatic and the result of an RTK Ag test supervised by a registered medical practitioner is negative. Discharge on the 7th day does not require any COVID-19 detection test.

Refer to this [announcement](#) by the Ministry of Health (MOH) Malaysia for more info.

+ Should I wear masks in Malaysia?

From 1 May 2022, wearing a face mask in outdoor public spaces is optional. You must still wear a face mask in indoor areas. Proof of COVID-19 vaccination may still be required on entry to some indoor areas. You must wear a face mask at airports, on public transport and in e-hailing vehicles and taxis.
