## KEY GUIDELINES FOR HEALTHCARE TRAVELLERS

1

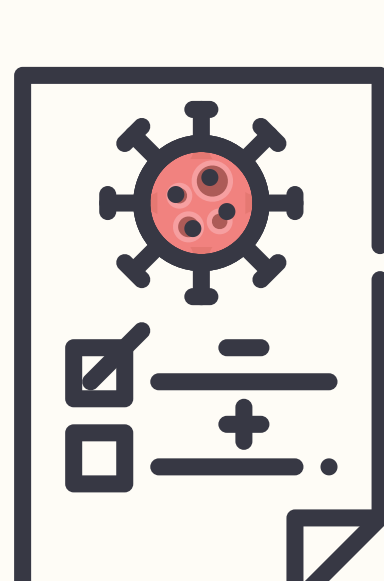

**Schedule for treatment** with a Malaysia Healthcare Travel Council (MHTC) Member Hospital and request a Hospital Letter from selected hospital. \*

2

(If applicable) **Apply for a visa** for yourself and your companion.

3

Make the **necessary travel arrangements** including getting tested according to your vaccination status (refer to Compulsory Procedure for Travellers above).

\*Please print your Hospital Letter prior to arrival.
